ENROLLMENT INFORMATION FOR 2017 - 2018 SCHOOL YEAR

Dear Parents:

We are pleased to announce that Montecito's enrollment for the 2017-2018 school year has begun! This enrollment is for all current and new families, and will be ongoing from now through the next school year. However, we encourage families to enroll at their earliest convenience so they are able to get the classes and the schedule of their choice.

Attached to this letter is a List of Fees, an Application for Enrollment and an Admissions Agreement. You will also receive a soft copy of these documents via e-mail, and our enrollment documents have been posted on our website (under the "Enroll" menu). **If you or your friends haven't already scheduled a tour, please schedule a tour to see our beautiful campus and get more information about our programs and enrollment.**

Montecito offers Part-Time and Full-Time Programs for preschool and elementary children, and we base our prices on the cost of our programs as well as our annual market research of comparable programs in the area. We are at the lower end of the average, and no other schools have the quality facility and curriculum like Montecito!

This year, we have added extended (more full-time hours) for our Drop-in Enrichment, we now have full-time programs for two-year-olds (starting this summer), and we have reduced our deposit to the equivalent of one month's tuition!

To enroll, please come into our office with your completed application (one application per child) and your checkbook to pay the enrollment fees (deposit, materials and application fees). At the time of enrollment, we will give you a receipt and forms to complete before your child's first day of school next year.

If you have questions about our programs, pricing, discount programs, or enrollment, please contact our office at (650) 968-5957 or send an e-mail to our Director, Erin Mobley, at erin@montecitoschool.com. When coming to enroll, please park on Grant Road and walk in. We are looking forward to seeing you!

Sincerely,

Erin K. Mobley, Director
