Learn and feel how the body moves to music with Golden Acorn Music!

Golden Acorn Music (GAM) has been dedicated to music education since its founding in 2016. We currently partner with over 2 dozen Bay Area preschools, libraries and other institutions to deliver our uniquely engaging music classes.

Teacher Rius leads classes with a variety of musical experiences, promoting creativity, cooperation, and instrumental and rhythmic fundamentals. Each class features multiple genres of singing, instruments, dance, stories, and artistry. Let your child explore their bodies through musical movement. Music and props will be provided.

Classes will be held outside on the center green (weather permitting) or in the Meadow Room.
